On Tuesday, February 2, 2021, the Hamburg Max Planck Institute will host its eight monthly virtual workshop in private international law at 11:00-12:30. Since January of this year, we are alternating between English and German language. Dagmar Coester-Waltjen will speak, in German, about the topic

“Von der Staatsangehörigkeits-Anknüpfung zur Berufung der *lex loci celebrationis* im internationalen Eheschließungs- und Partnerschaftsrecht?”

(“From Nationality to Lex Loci in Private International Law of Marriage and Civil Union?”)

The presentation will be followed by open discussion. All are welcome. More information and sign-up [here](#).

This is the eight such lecture in the series, after those by Mathias Lehmann in June, Eva-Maria Kieninger in July, Giesela Rühl in September, Anatol Dutta in October, Susanne Gössl in November, Marc-Philippe Weller in December, and Macjiej Szpunar in January. In February, we will again have an English language event - stay tuned!
