FORUM FOR INTERNATIONAL CONCILIATION AND ARBITRATION

www.fica-disputeresolution.com

The United Nations Convention on International Settlement Agreements resulting from Mediation (the 'Singapore Convention') entered into force on 12 September 2020. However, the Convention has not been signed by the EU or its Member States. What keeps the EU or its member states from signing the Singapore Convention on Mediation? Experts will discuss pertinent aspects of the Singapore Convention on Mediation to create awareness of the Convention and will debate the EU's position.
