

# **Conference on Civil Status in Belgian law and international implications, Brussels, 19 May 2022 (in French)**

At its conference of Thursday, 19 May 2022, the Association pour le droit des étrangers (ADDE) and its partners (Agentschap Integratie en Inburgering and University of Liege) will address the **reform of the civil status in Belgian law and its international issues**. The Conference will be held in **Brussels in French**.

Speakers will address, among others, the reform of the civil status and the civil registry; actors of the civil registry; rectification, modification and cancellation of civil status documents; receipt of a foreign civil status document; cases where civil status is unclear or uncertain.

See the program and practical information and the registration form.
