

EFFORTS Questionnaire on Digitalization of Civil Procedures Relating to Cross-Border Enforcement

In the framework of the EFFORTS Project, a questionnaire has been drawn up on the digitalization of civil procedures relating to cross-border enforcement.

The questionnaire aims at collecting quantitative and qualitative data on the digitalization of enforcement procedures at the national and European level, with a view to identifying technical solutions and legislative amendments to implement such digitalization.

The questionnaire, together with information on the EFFORTS Project, may be accessed [here](#)

The EFFORTS project partners thank you in advance for your time and contribution!
