EFFORTS Questionnaire on Digitalization of Civil Procedures Relating to Cross-Border Enforcement

In the framework of the EFFORTS Project, a questionnaire has been drawn up on the digitalization of civil procedures relating to cross-border enforcement.

The questionnaire aims at collecting quantitative and qualitative data on the digitalization of enforcement procedures at the national and European level, with a view to identifying technical solutions and legislative amendments to implement such digitalization.

The questionnaire, together with information on the EFFORTS Project, may be accessed here

The EFFORTS project partners thank you in advance for your time and contribution!
