Preview:

This timely required up-to-date book provides a systematic detailed study about all-encompassing Private International Law (PIL) issues concerning jurisdiction, choice of law, and recognition and enforcement of foreign judgments/decrees/arbitral awards in India. Considering the new developments in the field of technology and the internet, the book seems to be useful, and thus, can be relied upon by judiciary and policy and lawmakers in India and South Asian countries in order to develop a coherent and robust jurisprudence on PIL. It will consequently help enhance transparency, foster predictability, and harmonise the rules/principles of PIL in India.
