

The eighth EFFORTS Newsletter is here!

EFFORTS (Towards more Effective enFORcemenT of claimS in civil and commercial matters within the EU) is an EU-funded Project conducted by the University of Milan (coord.), the Max Planck Institute Luxembourg for Procedural Law, the University of Heidelberg, the Free University of Brussels, the University of Zagreb, and the University of Vilnius.

The **eighth EFFORTS Newsletter** has just been released, giving access to up-to-date **information** about the Project, **save-the-dates** on forthcoming events, conferences and webinars, and **news** from the area of international and comparative civil procedural law.

The **EFFORTS Final Conference** will take place on Friday, 30 September 2022. On that occasion, the Project Partners' research groups will present the outcomes of the Project; increase awareness of the EFFORTS Regulations (Brussels Ia, European Enforcement Order, European Payment Order, European Small Claims Procedure and European Account Preservation Order); and evaluate and discuss the state of the art in EU and national legislation and practices relating to the implementation of the EFFORTS Regulations in the 7 targeted Member States. More details will follow in due course.

Regular updates are available on the Project website and via the Project's LinkedIn and Facebook pages.
