

The seventh EFFORTS Newsletter is here!

EFFORTS (Towards more Effective enFORcemenT of claimS in civil and commercial matters within the EU) is an EU-funded Project conducted by the University of Milan (coord.), the Max Planck Institute Luxembourg for Procedural Law, the University of Heidelberg, the Free University of Brussels, the University of Zagreb, and the University of Vilnius.

The seventh EFFORTS Newsletter has just been released, giving access to up-to-date **information** about the Project, **save-the-dates** on forthcoming events, conferences and webinars, and **news** from the area of international and comparative civil procedural law.

In this framework, the **EFFORTS International Exchange Seminar** was organised and hosted online by the Max Planck Institute Luxembourg on February 25th, 2022: an account of the resulting engaged discussions between academics and practitioners in the field of cross-border enforcement of claims will be given in the *Report on practices in a comparative and cross-border perspective*, to be published soon on the Project website.

Regular updates are also available via the Project's LinkedIn and Facebook pages.
