The Mexican Academy of Private International and Comparative Law (AMEDIP) is holding a webinar on Thursday 23 February 2023 at 14:30 (Mexico City time - CST), 21:30 (CET time). The topic of the webinar is the *Right to Child Support within the international framework - Mexico and the United States of America* and will be presented by Claudia Sierra Martínez of the Mexican Ministry of Foreign Affairs (SRE) (in Spanish).

By way of context, please note that Mexico is not yet a party to the 2007 HCCH Child Support Convention but the United States is. On the other hand, Mexico is a party to the Inter-American Convention on Support Obligations and the United Nations Convention on the Recovery Abroad of Maintenance but the United States is not. Faced with this conundrum and given the great number of Child Support cases between these two countries, other solutions have been made available (think for example of US domestic law / bilateral practices).
