

DIGI-GUARD - Event on EU civil procedure: Service, Evidence and Brussels I bis Regulations (in Dutch, 3 NOvA education points): 30 November 2023

DIGI-GUARD

Co-funded by
the European Union

An event will take place on Thursday 30 November 2023 at Maastricht University in the Netherlands concerning the Service, Evidence and Brussels I bis Regulations. More information is available [here](#).

This event is being organised within the framework of the DIGI-GUARD project, which is co-funded by the European Union under the JUST-2021-JCOO program and which stands for *Digital communication and safeguarding the parties' rights: challenges for European civil procedure*.

Among the topics to be discussed will be the electronic service of documents under the Service Regulation, the upcoming digitalisation regulation, and many other practicalities relating to the service of documents within the European Union. It will also discuss the Evidence Regulation and the latest case law under the Brussels I bis Regulation. Finally, it will include breakout sessions where practical examples will be discussed and led by practitioners.

Discussions will take place in Dutch. Participation in this event will confer 3 PO NOvA points to Dutch lawyers.

Please [click here](#) to register. Attendance is possible both online and in-person. Please find the program [below](#).*
