

Seminar on the Service and Evidence Regulations recast - at Maastricht University on 19 June 2023 (in Dutch)

DIGI-GUARD

Co-funded by
the European Union

A seminar will be held on 19 June 2023 at Maastricht University in the Netherlands concerning the Service and Evidence Regulations recast (see here our previous post regarding these regulations).

This seminar is being organised within the framework of the DIGI-GUARD project, which is co-funded by the European Union under the JUST-2021-JCOO program and which stands for *Digital communication and safeguarding the parties' rights: challenges for European civil procedure*.

Among the topics to be discussed will be the electronic service of documents, e-codex and many other practicalities relating to the service and the taking of

evidence within the European Union. It will include breakout sessions where practical examples will be discussed and led by officials / practitioners.

Discussions will take place in Dutch.

For more information (incl. registration), please [click here](#). Attendance is possible both online and in-person. Please find the program below.
