

Upcoming Event: International Symposium (hybrid format) on International Arbitration and Mediation in Japan

The Ministry of Justice of Japan (MOJ), Civil Affairs Bureau, in cooperation with the Japan Commercial Arbitration Association (JCAA) and supported by CIArb East Asia Branch, Japan Association of Arbitration (JAA), Japan International Dispute Resolution Center (JIDRC), is organizing an international symposium (hybrid format) on the “Future Prospects of International Arbitration and Mediation: How does the Judiciary Assist?”.

This event could not have been more timely as the House of Councillors (the upper house of the Japanese Diet) unanimously passed and enacted into law on 21 April of this year the amendments to the Arbitration Act and the “Act for the Implementation of Settlement Agreements Resulting from Mediation” (the “Singapore Mediation Convention Implementation Act”). These enactments aim to promote international arbitration and mediation in Japan and to make Japan an attractive hub for international dispute resolution in competition with other leading centers in the region.
