

4-year PostDoc Position in European law at Humboldt University Berlin

The Law Faculty of Humboldt University is inviting applications for a four-year PostDoc position in European law. The position is fully paid and funded by the graduate research programme DynamInt (Dynamic Integration Order) which itself is funded by the German Research Foundation (Deutsche Forschungsgemeinschaft).

The PostDoc is supposed to pursue her/his research project in the field of European Law (including European Private International Law and International Civil Procedure). She/he is also expected to interact with the group of young researchers, who all work on their dissertation projects within the thematic framework of harmonization and plurality tendencies in the EU.

The position is targeting German-speaking researchers (in contrast to the international PostDoc positions advertised last week). More information is available [here](#).
