# DIGI-GUARD – Webinar on the Evidence Regulation (in Dutch): 27 March 2024

Maastricht University is organising a webinar on the Evidence Regulation that will take place on Wednesday 27 March 2024 in Dutch. More information is available here.

This event is being organised within the framework of the DIGI-GUARD project, which is co-funded by the European Union under the JUST-2021-JCOO program and which stands for *Digital communication and safeguarding the parties' rights: challenges for European civil procedure*.

This webinar is a follow-up to a previous event announced here.

Participation is free of charge (click here). The event will be recorded and will be accessible to registered participants.

The program is available below.
