

ELI Extra-Judicial Administration of Justice: 14 February in Vienna

The European Law Institute (ELI) *Extra-Judicial Administration of Justice in Cross-Border Family and Succession Matters* project is organising its dissemination conference in **Vienna on 14 February**. At this all-day event (9.00 to 18.00) experts will present their country reports, comparative findings and policy recommendations, in order to discuss these with the audience.

The project investigated the phenomenon that family and succession law matters are increasingly submitted to other authorities than courts. It seeks to establish a harmonised concept of “courts” in the EU, taking into account the CJEU case law.

More information and the registration form are available on the ELI website.
