

New General Editor

ConflictofLaws.net is happy to announce Saloni Khanderia from Jindal Global Law School as our new General Editor. Saloni joined the blog's Editorial Board in 2019 and has been an active contributor ever since. She takes over from Jeanne Huang (University of Sydney) and will serve as the blog's General Editor together with Tobias Lutzi (University of Augsburg).

The Editorial Board is indebted to Jeanne for her over two years of service as General Editor. During her tenure, important changes have been implemented regarding the blog's operation, including the redesign of our frontpage with the new calendar feature. At the same time, our community has continued to grow to more than 2,5k subscribers of our e-mail newsletter and 5k followers on LinkedIn. We're deeply grateful for the time and energy she has dedicated to the blog and are delighted that she will stay on the Editorial Board.
