Out Now: The Latest Issue of the Japanese Yearbook of International Law (Vol. 67, 2024)

The *Japanese Yearbook of International Law* (JYIL) is a leading reference publication that provides in-depth analysis and commentary on developments in international law from a Japanese perspective.

Published by the International Law Association of Japan since 1957 (originally as the *Annual Yearbook of Private International Law* until 2007), the JYIL covers a broad spectrum of topics, from public and private international law to comparative law, bringing together insights from top scholars and legal experts in Japan and beyond.

Each issue dives into key legal cases, legislative updates, and emerging trends, making it a must-read for researchers, academics, and professionals looking to stay in the loop on Japan's legal landscape.

On that note, the **latest volume of the JYIL (Vol. 67, 2024)** has recently been released. Readers of this blog may find particular interested in selected articles, case notes, books review and English translations of court decisions related to private international law.
