Workshop on Private International Law, Sustainability and Fashion

As part of the DFG- and AHRC-funded *Fashion's PLACE* project, there will be a workshop on Private International Law, Sustainability and Fashion at **the Geneva Graduate Institute** on **18 June 2026 (11:00-13:00 CEST),** just prior to the EAPIL conference. The event will bring together perspectives from law, sustainability and the fashion industry, with short presentations and space for discussion. If you are in Geneva and interested in the intersection of private international law, circular economy and fashion, consider coming. No sign-up necessary.
